Pharmacists' Regulations (Medicinal Preparations) - 1986**

**TO BE TAKEN ON PHYSICIAN'S DIRECTIONS ONLY**

Read this leaflet carefully,  
in its entirety, before using this medicine

## **B-SIX 300**

Tablets

### **Composition:**

Each tablet contains:  
Pyridoxine Hydrochloride 300 mg

### **Inactive Ingredients:**

Amylum, Povidone, Powdered Cellulose, Sodium Starch  
Glycolate, Magnesium Stearate, Colloidal Silicon Dioxide,  
Yellow No. 6 lake, Blue No. 2 lake.

### **Therapeutic activity:**

Vitamin B<sub>6</sub> supplement.

### **When not to use this medicine?**

Do not use if you are sensitive to any of the components  
of this medicine.

### **Do not start to use this medicine without first consulting your physician:**

If you are pregnant or breastfeeding.

### **Warnings:**

Do not use this medicine frequently or for a prolonged  
period without consulting your physician.

If you are sensitive to any kind of food or drugs, inform  
your physician before taking this medicine.

Taking an inordinate dose is likely to cause harm to the  
nervous system.

### **Drug interactions:**

If you are taking another drug concomitantly, or if you  
have just finished treatment with another medicine, inform  
the treating physician in order to prevent hazards or  
inefficacy arising from drug interactions, especially for  
drugs of the following groups: levodopa (parkinson's),  
hydralazine (for blood pressure), contraceptive pills,  
immunosuppressants, such as: corticosteroids,  
cyclosporins (for transplants), isoniazid (for tuberculosis),  
penicillamine (for poisoning).

### **Side effects:**

In addition to the desired effect of the medicine, unwanted  
side effects may also appear during treatment.

### **Side effects that require special attention:**

Skin irritation or eruption: stop the treatment and refer  
to the physician.

If at any time you experience side effects that are not  
mentioned in this leaflet or if you feel an adverse change  
in your general well-being, consult your physician  
immediately.

### **Dosage:**

As directed by the physician only.  
Do not exceed the recommended dosage.

### **Prevent poisoning!**

This medicine, like all medicines, should be kept in a  
closed cupboard, out of the reach of children and/or  
infants in order to prevent poisoning.

If you took an overdose or if a child accidentally swallowed  
some of the medicine, go immediately to the emergency  
room of a hospital and bring with you any remaining  
medicine and the original packaging.

Do not induce vomiting without explicit instructions from  
the physician!

This medicine was prescribed to treat your ailment; in  
another patient it may be harmful. **Do not give this  
medicine to your relatives, neighbours or  
acquaintances.**

Do not take any medicine in the dark! Carefully check  
the label and dose each time you take the medicine.  
Wear your glasses if you need them.

### **Storage:**

Store below 25°C.

Even if stored according to the manufacturer's  
recommendations, all medicines have a limited shelf life.  
Please pay attention to the expiry date of the medicine.  
If you have any doubts, please consult the dispensing  
pharmacist.

Do not store different medicines in the same container.
